William Roberts - The Sadistic Surgeon

8. THE SADISTIC SURGEON

You may remember the "Waking Up In The Middle Of Surgery" legend that made an appearance on part one of our list. Well, that seems like a walk in the park compared to the Sadistic Surgeon legend, which goes a little something like this:

Evil surgeon pretends to be a talented and prestigious doctor, only to mutilate his patients while they're under the knife. That would never happen, right? Wrong.

Meet Glen Tucker, a prominent plastic surgeon who left several patients mangled after botched surgeries. Apparently, mutilating patients was just the surface of his inner demons. At 80 years old, Tucker fatally shot his wife, their cat, and then himself. The entire story is far too complex to cover on our list, but you can [read all about it here](#).

William Roberts, better known as "The Sadistic Surgeon," a medical professional by day and a sickening murderer by night, violated his oath to heal. This disturbed individual used his medical knowledge to commit unimaginable acts of brutality. Delve into the terrifying world of this surgeon-turned-slasher and the immense efforts to bring him to justice.

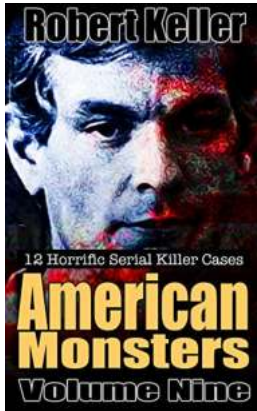

These 12 horrific American serial killers stand as reminders of the darkest facets of human nature. Their crimes shook the nation and left a lasting impact on the communities they terrorized. Understanding their motivations and the intricate details surrounding their gruesome acts helps us comprehend the lengths that some individuals will go to satisfy their depraved desires.
