Dads are great, right?

Our dads have provided for us, protected us, taught us right from wrong, shown their sons how to be men, and scared off the jerks who wanted to dated their daughters. For most of us, we can thank our fathers for being the men and women we are today.

Unfortunately, not all fathers are so great. Some are jerks, and a few are just downright evil.

In this book, you'll learn about sixteen of the most terrible cases of dads who killed their own children. None of these men will get a father of the year award and very few will get Father's Day cards while they sit in prison, but their cases are sure to intrigue you.

You'll learn about little-known details of some high-profile killer dad cases, such as Jeffrey MacDonald and John List, and a few that are little known. You'll read

about dads such as Robert Fisher and Christian Longo, who killed their wives and children because they were bored with them, and a few, like Marcus Wesson and Purshottam Naidu, who were driven by truly bizarre motivations.

These dads, and two uncles, span the globe and come from different ethnic and socio-economic groups, proving that familicide is a phenomenon that knows no boundaries.

So sit back, relax, and open the pages of this book to learn about sixteen of the most dastardly fathers in history. You will definitely be disturbed but at the same time you won't be able to quit reading!
