From sofas to shelving to a stylish home bar, Pallet Style shows you how to create your own furniture using reclaimed wooden pallets. Whether you want to make something in a weekend or are embarking on a more complex bespoke piece for your home, each of Nikkita and Billy's projects are stylish design solutions, perfect for Scandi-influenced urban apartments or rustic retreats.

An introductory section explains the different kinds of standard pallets, many of which can be sourced for free as they are so readily available. Full instructions for

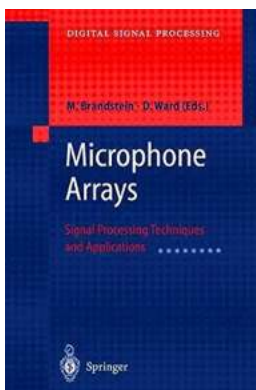

deconstructing a pallet are provided, together with ideas on how to source them.

The projects are divided into three sections - Furniture, Storage & Display and Accessories - each project includes full step-by-step instructions and photographs. In furniture, find out how to construct a bed, a home bar or a coffee table. Storage & Display features makes for a display shelf, a herb box planter and a log 'basket', as well as a recycling centre for your kitchen. In Accessories, find out how to make key hooks, a breakfast tray and a festival sign.
