

# 21 Questions To Activate Your Intuition And Find Your Life Purpose

Have you ever found yourself wondering about the true purpose of your life? The feeling of being lost and searching for meaning can be overwhelming. However, deep within each of us lies the power of intuition, a guiding force that can help us discover our life purpose and lead a fulfilling and meaningful existence.

Intuition is a form of inner wisdom that surpasses logic and reasoning. When we tap into our intuition, we are accessing a wellspring of knowledge that can provide clarity and direction. By asking the right questions and actively listening to our inner voice, we can unlock the secrets to our true purpose.

So, are you ready to activate your intuition and embark on a journey of self-discovery? Here are 21 thought-provoking questions that will help you delve deep within yourself and uncover your life purpose:

## **1. What activities make you lose track of time?**

Think about the tasks or hobbies you engage in that make time fly by effortlessly. These activities can provide insight into your passions and interests.

## **2. What are your natural talents and strengths?**

Reflect on the skills and abilities that come naturally to you. What are you confident in doing? Identifying your talents can reveal potential areas of focus for your life purpose.

## **3. What impact do you want to have on the world?**

Consider the kind of legacy you want to leave behind. How do you envision making a positive difference in the lives of others and in the world at large?

## **4. What inspires and motivates you?**

Think about the people, experiences, or ideas that ignite a fire within you. What brings you joy and pushes you to take action?

## **5. What are the recurring themes or patterns in your life?**

Take a step back and analyze the recurring themes or patterns you notice in your experiences. What lessons can you learn from them?

## **6. What activities make you feel invigorated and alive?**

Consider the activities that make you feel energized and excited. Pay attention to the things that bring out your authentic self.

## **7. What values are most important to you?**

Reflect on the principles and values that you hold dear. What do you believe in and stand for?

## **8. What challenges have you overcome in the past?**

Think about the obstacles you have faced and conquered in your life so far. How did you handle them? What did you learn from those experiences?

## **9. What topics or subjects do you constantly seek knowledge about?**

Consider the areas of interest that you are always eager to learn more about. Identifying these subjects can point you towards your passions.

## **10. What are your core beliefs about yourself?**

Reflect on the beliefs you hold about your own capabilities and worth. Are these beliefs empowering or holding you back?

## **11. What activities make you feel fulfilled and satisfied?**

Think about the activities or goals that bring a sense of fulfillment and satisfaction when you accomplish them. These can provide insights into your life purpose.

## **12. What do you instinctively know to be true without any logical explanation?**

Consider the things you simply "know" without any proof or reasoning. These intuitive knowings can connect you to your life purpose.

## **13. What makes you unique?**

Reflect on the qualities, experiences, or perspectives that set you apart from others. Embrace your uniqueness as it holds the key to your purpose.

## **14. What activities make you feel connected to something greater than yourself?**

Think about the activities or experiences that make you feel connected to a higher power, humanity, or the universe. These moments can provide insights into your purpose.

### **15. What do you love most about yourself?**

Reflect on the qualities and aspects of yourself that you genuinely love and appreciate. These positive traits can give hints about your purpose.

### **16. What fears or limiting beliefs are holding you back?**

Take the time to identify the fears or limiting beliefs that are preventing you from fully embracing your life purpose. Confronting and releasing them can open up new possibilities.

### **17. What activities make you forget about your worries and concerns?**

Think about the activities or experiences that allow you to let go of stress and escape from your worries. These moments can provide insights into your passions.

### **18. What do you imagine yourself doing if money was not a concern?**

Consider the activities or careers that you would pursue if financial obligations were not limiting factors. This can give you clues about your true passions.

### **19. What advice do you often find yourself giving to others?**

Reflect on the guidance and support you find yourself offering to friends, family, or colleagues. This advice could indicate areas where you hold wisdom and expertise.

## 20. What experiences have made the biggest impact on your life?

Think about the experiences that have had a profound and lasting effect on your personal growth and development. These moments might hold clues to your purpose.

## 21. What kind of life do you envision for yourself in the future?

Imagine your ideal life and the legacy you want to leave behind. Visualize the outcomes you desire and the path that leads you there.

Now that you've explored these 21 questions, take the time to reflect on your answers. Notice any common themes or patterns that arise. Your intuition will guide you towards your true purpose in life if you pay attention to the subtle whispers within.

Remember, discovering your life purpose is a journey, not a destination. Embrace the exploration, trust your intuition, and allow yourself to evolve along the way. Your purpose is waiting to be discovered, and it's time for you to embark on the adventure of a lifetime.

Spiritual coach and intuitive tarot reader Liz Roberta helps readers to connect with their intuition and discover their true calling.

That deeper calling within you? Don't ignore it! It's time to start listening to your intuition - and following it to find your true purpose.

Intuition is the strongest tool we have, but far too often we forget to use it or aren't sure where to begin. If you're feeling a little lost, unmotivated or unsure of the best path to take, it's time to look inward and listen. This is the ultimate guide for you to connect with your intuition, discover your soul's calling and finally lead a life where you feel inspired, joyful and in flow.

Liz Roberta has devised an accessible framework of 21 transformative questions to help you take practical steps to activate your intuition, figure out what feels right for you and start living in alignment with your purpose. These questions will help you to see the most potent and powerful parts of yourself that you may have been hiding from. You'll discover how to:

- tune in to your own intuition
- identify your life purpose
- trust yourself deeply and gain confidence
- choose a life path that is truly your own

You are here for a reason and your soul knows what's best for you. When you finish the last page, you'll know too. Trust your intuition, start living in tune with the flow of life and you'll find you're able to guide yourself to exactly where you're meant to be.
