Welcome to the game of Authorials, the collectable ebook game. In Authorials, each player pits their ebook vs an opponent's ebook in an attempt to make the other player turn more "chapters" forward. The first player to the end of their ebook loses. This book contains all the rules to play the game, plus 1 ebook to use in your battles.

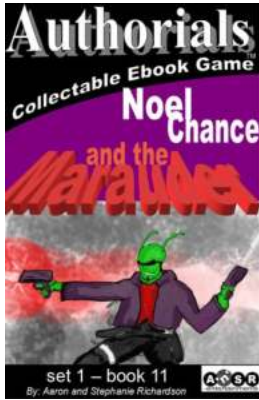

About An Affair in Avery: You picked up Affair as a trashy little book to escape with. You found your self caught up by Deloris, the competent business woman who's life is in airports and spends her working hours judging hotel properties for a major hotel chain. She arrived at the Daybridge Resort in time for a high-profile wedding of the Carrols. While there, she finds the owner Rich to be a mirror image of herself, and Brad, the handyman. When the wedding gazebo crashes, the wedding is ruined. While fending off Riches advances, Deloris must figure out how to save the DayBridge, the Carrols' wedding, and maybe her own heart as she becomes torn between her equal in Rich and her excitement in Brad.

Now, you can use these enticing characters in your own world. With their hearts ablaze and their emotions run rampant, you will likely conquer anyone in your path.
