Evlin

The love of my life since childhood.

We had it all.

Love and chemistry in equal measure.

Sizzling hot sex.

From a young age, marriage and a big family with Will was tops in my mind.

The sooner, the better.

But Will's painful past got in the way. That, and his drive to succeed.

I did not want to wait to have kids. He didn't know if he ever would.

Big problem.

As much as it hurt, I had to move on.

Big mistake.

Will

My Evie.

Stubborn, fiery, strong-willed, impatient and determined.

She couldn't wait for what I couldn't guarantee.

Then the worst happened. I lost her.

Five years of ache and loneliness later...she pops up on my radar.

And she's single.

But after what happened, will she even want to see me?

If I know my Evie, my work's cut out for me.

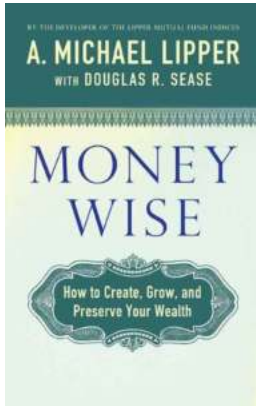

But I'm stubborn and determined too.

Even if I have to pull the wool over her eyes, I'm making it my mission to get her back in my arms. And my life.

And this time, I'll never let her go.
