Sometimes it is nice to be at home with some friends. When the usual gossip is over, it's nice to indulge in some party games. One of the most popular games is Trivia. Friends are split into two teams and are invited to answer questions about different topics. Any team has to get as many correct answers as possible and who gets the higher score wins. The game has the benefit of improving and expanding the knowledge of the participants, either in general or in specific areas. Geography is certainly a fairly well-known subject to all. This book contains 200 questions and answers on U.S. and World geography. I'm sure you and your friends will enjoy playing this party game and time will fly by.
