on his estate. These shocking stories and several others are collected in one volume for the first time, with added updates from the author.

One story involves a young man who believes he's figured out the perfect way to commit a murder after binge-watching *Forensic Files*. In this opening tale, a Massachusetts man is stalked by a hired killer because of the information he holds in the case of insurance scam gone bad, resulting in savage murder. Next up is the story of a restaurant owner and her husband, enjoying a tranquil life in the Berkshires, until a bloody trail inside a barn leads to a gruesome discovery and a family's deepest, darkest secrets are exposed.

As a bonus, Phelps takes readers behind the scenes of his hit *Investigation Discovery* series *Dark Minds*, revealing his investigative secrets with an intimate look at those serial-killer cold cases that still haunt Phelps today—and meets with forensic scientist Dr. Henry Lee in a narrative interview that reveals Lee's ingenious and humorous take on life, his crime-scene philosophy, and the ways in which he deals with the brutality of the work he does.
