I have been practicing all the aspects of woodworking like Joinery, Woodturning, and Furniture making along with Cabinet Making, and I must say this art provides the maximum chance of impacting the overall look of your kitchen or bathroom and eventually, your home.

Cabinets, for me, are an extension of your personality and a great way to express

yourself.

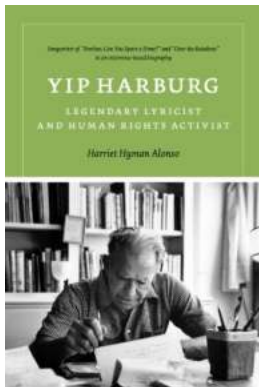

When I first started woodcraft, I looked desperately for a go-to guide about the specific processes and exact tools required.

This book is for those who are still running their first lap (0-3 years) in wood-crafting and want to gain a holistic idea of the necessary processes and tools.
