Have you ever wondered what ancient runes are and what their importance is?
Have you asked yourself what their significance is in ancient rituals and lore?
Was there ever a time you asked yourself just what those runic symbols mean?
Then you've come to the right place!

Runes are like the English alphabet, and these were used to write numerous Germanic languages. They were used extensively until the adoption and use of the Latin alphabet. Now, runes are used for specific purposes, especially to write magical charms for healing and protection. Some also use runes to curse others.

Throughout this book, you will:

Discover runes, their history, and definitions

Master the art of writing runes

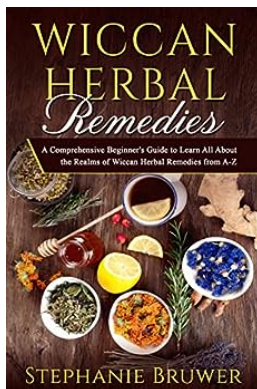

Learn about some tools of the trade

Understand runes used in divination

Discover sample rune rituals

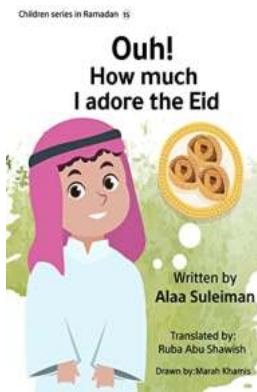

Learn the foundations of rune magic

By the end of the book, you will learn that each rune has a special meaning, and these defy simple interpretations. So click the Buy Now button and take a journey down the path of runic magic and mysticism!
