## 2. Lavender

Looking to add a touch of tranquility to your garden? Lavender is the answer. This aromatic herb not only boasts beautiful purple flowers, but its soothing fragrance also has a calming effect on the mind and body. Plant it beside your patio or walkway, and enjoy its serene ambiance.

### 3. Sunflowers

No garden is complete without the cheerful presence of sunflowers. These tall, vibrant flowers are sure to brighten up any space with their sunny disposition. Plant them in a sunny spot, and witness their impressive growth as they reach for the sky, spreading happiness throughout your garden.

#### **4. Japanese Maple**

If you're looking to add a touch of elegance and sophistication to your garden, the Japanese Maple is the perfect choice. With its delicate, intricately shaped leaves and vibrant colors, this ornamental tree brings a unique charm to any landscape. Its fiery red foliage in the fall is a sight to behold.

## 5. Orchids

For those seeking exotic beauty, orchids are an excellent choice. These delicate flowers come in a mesmerizing array of colors and shapes, making them a captivating addition to any garden. With proper care, they can bloom for months, rewarding you with their stunning blooms.

These are just a few examples of the best 500 species for your garden. With careful planning and consideration of your climate and personal preferences, you can create a breathtaking outdoor space that will bring you joy for years to come. Don't be afraid to experiment and add your unique touch to make it truly yours!

So, what are you waiting for? Get your gardening tools ready and start transforming your garden into a haven of beauty and relaxation. Happy

gardening!
