Diana Always There - A True Inspiration: Eddie Conna's Incredible Journey

In our lives, we often come across individuals who possess an extraordinary spirit and resilience, serving as a beacon of hope and inspiration for others. One such remarkable individual is Diana Always There - Eddie Conna. Through his remarkable journey, Eddie Conna has touched countless lives, proving that determination and a positive attitude can triumph over even the most challenging circumstances.

A Journey through Adversity

Eddie Conna's story is one of facing adversity head-on and rising above it with unwavering determination. He was diagnosed with a rare autoimmune disorder called Myasthenia Gravis at the young age of 12. This debilitating disease affects the muscles and their ability to function properly. Despite the challenges he faced in his daily life, Eddie refused to let his condition define him.

Throughout his teenage years, Eddie underwent numerous surgeries and medical treatments, yet he never lost his infectious sense of humor or his love for life. His unwavering optimism and strength became the foundation of his journey towards overcoming the odds.

AT LAST the full story of Diana, Princess of Wales with moving accounts of her life from those who knew her best – what made her laugh, what made her cry.

Princes William and Harry say that not a day goes by without them thinking of their beloved mother as they do their best to draw a veil over her acrimonious marriage to their father, Charles, Prince of Wales, England's next king. Even before Lady Diana Spencer married into the most revered family on earth, she had her suspicions that the kith and kin of Prince Charles were not all they seemed-to-be. No sooner had she become the Princess of Wales and moved into Kensington Palace than her fears were confirmed: the House of Windsor constituted a flawed dynasty. She found herself trapped in a world of scandal, deceit and treachery. Diana Always There reveals the previously untold secrets Diana discovered about her royal relatives.

This book exposes how intensely Charles and Camilla Parker Bowles contrived to exclude her, it reveals the Queen was angry and bitter at her family's indiscretions, how the Queen Mother's indifference was matched only by Prince Philip's blind range over Diana's determination to find her own path, what really went on between the Duke and Duchess of York and how Prince Edward witnessed Diana's tantrums at Balmoral.

In short, this is Diana's own secret life told in intimate detail.
