As part of a series of artworks, Stanza painted an ink and watercolour illustration of the letter A in which the name of the flower and the butterfly began with A; the result was beautiful and inspiring. This led to the letter B and a year later the alphabet was complete. Most of the original artworks were sold, but in 2016 she worked with her husband to turn the stunning series into a book featuring the entire alphabet. It is a colourful book of beautiful artworks for everyone.
