

Discover the English Lithuanian Learner Dictionary Arranged By Themes: The Perfect Tool for Beginners and Elementary Students

Learning a new language can be an exciting challenge, and having the right tools can make all the difference. If you're a beginner or an elementary student learning English and Lithuanian, then the English Lithuanian Learner Dictionary Arranged By Themes is the perfect companion for your language journey.

With its user-friendly format, comprehensive content, and efficient organization, this dictionary will help you expand your vocabulary, improve your grammar, and enhance your language skills.

The Benefits of Using a Themed Learner Dictionary

Unlike traditional dictionaries, which list words alphabetically, a themed learner dictionary groups words and phrases based on specific themes or topics. This approach allows learners to quickly find related terms and easily grasp their meanings within a context.

Multi Linguis offers you a frequency-thematic learner's dictionary of the Lithuanian language.

It includes up to 3000 essential words and phrases belonging to the levels from Beginner to Elementary (A1 - A2 CEFR). The entries are divided into 150 vocabulary themes as well as 2 learning steps. They are arranged by themes, not by the alphabet.

The book is intended to help you try out and learn this language but can also be applied for translating or entertaining. You may use it separately or as an additional tool for any suited educational course.

The Multi Linguis Project is based on the Wiktionary corpus and created by one person.

The database of the Learner's Dictionaries includes 9 000 lemmas (words and phrases), their translations in many languages as well as transcriptions, transliterations and grammar information.

All these lemmas are divided into 6 learning steps of 1500 entries each and also 150 vocabulary themes grouped in 30 super themes. They can be arranged by themes, steps, parts of speech or keywords, but never by the alphabet.

Different types of dictionaries are offered for the same language. They are designed in an original way to be convenient and efficient. All of them are available in mobi format.

Multi Linguis is presently able to publish such books for more than 70 languages. It's planned to improve them and increase their number.
