This text focusses on the beginning study of Classical Sanskrit, although several of the quotations are in Vedic Sanskrit. Normally, Vedic Sanskrit is studied after Classical Sanskrit is learned. This text is written to fulfill a need that still remains, which is to make the introductory study of Sanskrit simple, concise, and systematic, thereby making it more accessible and enjoyable for a beginning student. After completing this text, you should be able to study any of the above Sanskrit textbooks more comfortably, or begin Part Two of this text. Part Two will

feature the reading of selected verses from the Bhagvad-Gita, accompanied by a more thorough explanation of unfamiliar rules of grammar as they are encountered in the reading. Both volumes together will cover the basic rules of Sanskrit grammar.

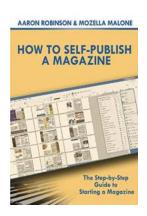

- For college classes, Part One covers the standard material for a onesemester course and Part Two for the second semester.
- After completing Part Two, the student should be able to read the Bhagavad-Gita with the aid of a Sanskrit dictionary and a word-by-word English translation.

There are several reasons to study the subtle and refined language of Sanskrit. The sound, script, grammar, and systematic nature of the language are charming in themselves, something of great beauty. The study of Sanskrit creates orderliness within the mind because Sanskrit is a highly systematic language, reflecting the orderliness of nature itselt. to Sanskrit, in two volumes, is designed to open the door to India's rich spiritual literature. This self-teaching guide presents Sanskrit pronunciation, grammar, and vocabulary in simple and systematic steps, allowing students to easily master the fundamentals of this enchanting language. The text gently leads the beginner through small steps with clear, concise explanations. Each lesson includes instruction in alphabet, grammar, and vocabulary, with easy practice exercises at the end. Also included is a reading from the Bhagavad-Gita and Sanskrit quotations from the R.K. Samhita, Upanisads, Yoga Sutras, Brahma Sutra, and Manu Smrti. Part Two uses verses from the Bhagavad-Gita to teach principles of grammar, and includes additional essays on Sanskrit grammar and pronunciation.
