Deborah Schneiderman is synonymous with the philosophy of Interiors Beyond Architecture. She believes that great interior design is not just about aesthetics; it is about creating an experience that connects people with their surroundings.

Taking inspiration from various artistic disciplines such as visual arts, music, and literature, Schneiderman's work is a testament to the fusion of creativity and functionality. Her designs evoke emotions and leave a lasting impact on all those who come across them.

## **Breaking the Boundaries of Traditional Interior Design**

One of the key aspects of Interiors Beyond Architecture is breaking free from the constraints of traditional design and embracing innovative materials and techniques. Schneiderman is constantly pushing the boundaries of creativity by incorporating unconventional materials into her designs.

From using recycled and sustainable materials to creating interactive and sensory spaces, Schneiderman's creations are a harmonious blend of art and functionality. She challenges the norm and encourages her clients to think outside the box, ultimately resulting in exceptional interior environments that stand the test of time.

## **The Role of Technology in Interiors Beyond Architecture**

In this digital age, technology has become an integral part of our lives. Schneiderman recognizes the immense potential technology holds when it comes to designing captivating interiors. She seamlessly integrates technology into her

designs, creating spaces that are not only visually impressive but also enhance the overall experience for users.

From smart homes to interactive installations, Schneiderman embraces the power of technology to enhance the functionality and aesthetic appeal of her designs. By combining architectural principles with cutting-edge technological advancements, she creates spaces that are truly ahead of their time.

## **The Importance of Sustainability**

With concerns about climate change and the environment on the rise, sustainable design has become more important than ever. Schneiderman is a firm believer in incorporating sustainability into her interior designs, ensuring that they have a minimal negative impact on the planet.

From using eco-friendly materials to incorporating energy-efficient systems, Schneiderman's designs are not only visually stunning but also eco-conscious. She understands the importance of creating a balance between aesthetic appeal and environmental responsibility, leaving a positive impact on both the users and the planet.

## **Beyond Ordinary - Schneiderman's Notable Projects**

Deborah Schneiderman's talent and unique design approach have led her to work on numerous notable projects. Let's take a sneak peek into some of her most remarkable creations:

### **1. The "Sensory Shell"**

The Sensory Shell is an immersive installation that transports users into a multi-sensory experience. Schneiderman incorporated interactive lighting, sound, and visual elements to create a space that stimulates all senses simultaneously.

## 2. "Reclaimed Reverie"

Reclaimed Reverie is a stunning example of Schneiderman's commitment to sustainability. This project involved the transformation of abandoned industrial spaces into vibrant, eco-friendly living environments, promoting the concept of repurposing and breathing new life into neglected spaces.

## 3. "Future Living"

Future Living is an ambitious project that envisions sustainable living in a technologically advanced world. Schneiderman designed smart homes equipped with the latest technological innovations, creating a harmonious balance between technology and nature.

Deborah Schneiderman's Interiors Beyond Architecture approach has revolutionized the field of interior design. Through her innovative techniques, incorporation of technology, and commitment to sustainability, she continues to push the boundaries of creativity and redefine the concept of interior spaces.

If you are ready to break free from conventional design approaches and embark on a journey of imaginative and functional interiors, Deborah Schneiderman is the name to keep in mind. Explore the world of Interiors Beyond Architecture and witness the extraordinary possibilities that await.

\*\*\*Winner of the 2019 IDEC Book Award\*\*\*

Interiors Beyond Architecture proposes an expanded impact for interior design that transcends the inside of buildings, analysing significant interiors that engage space outside of the disciplinary boundaries of architecture. It presents contemporary case studies from a historically nuanced and theoretically informed perspective, presenting a series of often-radical propositions about the nature of the interior itself. Internationally renowned contributors from the UK, USA and New Zealand present ten typologically specific chapters including: Interiors Formed with Nature, Adaptively Reused Structures, Mobile Interiors, Inhabitable art, Interiors for Display and On Display, Film Sets, Infrastructural Interiors, Interiors for Extreme Environments, Interior Landscapes, and Exterior Interiors.
