The book also has an active table of contents for readers to access each chapter of the following titles:

1. The History of Astronomy
2. The History of the Ancient Physics

3. The History of the Ancient Logics and Metaphysics
4. Of the EXTERNAL SENSES
5. Of the NATURE of that IMITATION which takes place in what are called THE IMITATIVE ARTS

Only in The History of Astronomy Smith speaks of The Invisible hand as the follows:

“Fire burns, and water refreshes; heavy bodies descend, and lighter substances fly upwards, by the necessity of their own nature; nor was the invisible hand of Jupiter ever apprehended to be employed in those matters”

It appears that explainable natural phenomena (the natural laws we know) and otherwise unexplainable one (the natural laws we do not know) are part of The Invisible hand to regulate our human behavior in Adam Smith’s mind.

The other two books by Adam Smith speaks of An Invisible Hand are The Wealth of Nations and The Theory of Moral Sentiments.

This book is for the readers who need to learn and study The Invisible Hand of free market from a natural law perspective.
