This photobook is the pre-release of my music album: Rise, from Depths, of a Preliminary State of Youth: A Change Within One in Worlds (available on all streaming platforms on May 7, 2021). The photobook is my depths in art and the music album is my interpretation of art and its contribution to the state of youth and their desire to express and change Both releases are my statements and reactions to the inferiority, discredit and insecurity that I and the youth of my country are devastatingly subjected to.
