I haven't told her this, but I think I love her. And I can't have her. I shouldn't. People around me die. The irony is, my job is to save the innocent, eliminate the threats seen and unseen. What Readers are saying about The Visa Series

"I read both books (V for Visa and D for Darien) in two days. I'm hooked. I've laughed, cried and fallen in love together with Rain. I love that it's so relatable."

"D for Darien was the bomb! I really enjoyed it. Read it in less than 24 hours."

"I just read the two books in your series (V for Visa and D for Darien) and liked it a lot. I am eagerly awaiting book 3. You were very talented and funny."

"I have read so many romantic and romantic suspense books but this one is special! The writing style is reminiscent of Suzanne Brockmanne's, one of my favourite authors. Rain is Kenyan and Darien is English. The story takes place in Kenya. It's hot and steamy but also has plenty of heart! It's packed with suspense and angst, just the way I like my books. I literally could not put it down. When I was done I went back and re-read the first book in the series, V for Visa and enjoyed it just as much. This series is definitely going to be one of my classics that I read over and over again. Can't wait for the next installment."
