From Lisbon to the World: Everything you need to know about the 16th International Conference ICEIS 2014
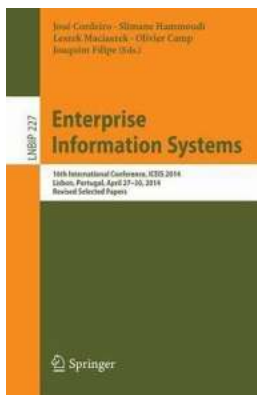

Are you passionate about technology and its impact on organizations? Do you want to be at the forefront of groundbreaking research in information systems? If so, you cannot afford to miss the 16th International Conference on Enterprise Information Systems (ICEIS) held in Lisbon, Portugal from April 27th to 30th, 2014. In this article, we will provide you with all the juicy details about this highly anticipated event.

What is ICEIS?

The International Conference on Enterprise Information Systems is an annual forum where researchers, scientists, industry practitioners, and experts in the field of information systems gather to discuss the latest advancements and challenges in this rapidly evolving domain. ICEIS aims to bridge the gap between academia and industry by facilitating the exchange of ideas, promoting collaboration, and fostering innovation.

Why ICEIS 2014?

In its 16th edition, ICEIS 2014 promises to be a landmark event, attracting some of the brightest minds in the field. The conference will feature a wide range of activities, including keynote lectures, panel discussions, paper presentations, and workshops. The theme for ICEIS 2014 is "Information Systems for Crisis Response and Management." This important topic highlights the crucial role that technology plays in mitigating the impact of crises and disasters.

Furthermore, ICEIS 2014 offers a stellar opportunity for participants to expand their professional networks and foster collaborations with fellow peers, renowned scientists, and industry practitioners. The conference will bring together a diverse group of attendees from all corners of the globe, creating a melting pot of ideas and perspectives. Whether you are a seasoned professional or a budding researcher, ICEIS 2014 will undoubtedly leave a lasting impression on your career.

Conference Highlights

ICEIS 2014 boasts an impressive lineup of keynote speakers who are industry leaders and world-renowned experts in the field of information systems. These visionaries will share their valuable insights and shed light on emerging trends, future challenges, and innovative solutions.

The conference will also feature enlightening panel discussions where experts will engage in thought-provoking dialogues on topics such as Big Data Analytics, Cloud Computing, Artificial Intelligence, and Cybersecurity. These sessions will provide a platform for participants to interact with the speakers directly, ask questions, and engage in critical discussions.

For those interested in cutting-edge research, ICEIS 2014 offers a plethora of paper presentations. Renowned researchers from prestigious institutions will present their findings, contributing to the advancement of the field. This is an excellent opportunity for young researchers and graduate students to gain exposure, receive feedback on their work, and establish connections with senior members of the community.
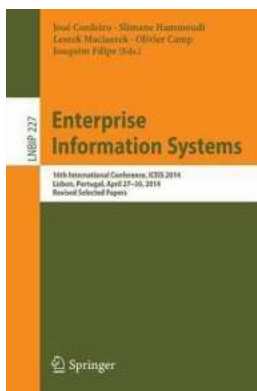

In addition to the keynote lectures and paper presentations, ICEIS 2014 offers several workshops that delve deeper into specific topics within the field of information systems. These workshops provide hands-on learning experiences, allowing participants to acquire valuable skills and knowledge that can be applied in their respective domains. Whether you are interested in Business Intelligence, Knowledge Management, or Information Security, there is a workshop tailored to your needs.

Location: Lisbon, Portugal

ICEIS 2014 will take place in the picturesque city of Lisbon, Portugal. Renowned for its rich history, vibrant culture, and breathtaking architecture, Lisbon offers conference attendees a truly immersive experience. From exploring the narrow streets of the Alfama district to indulging in mouth-watering pastéis de nata (Portuguese custard tarts), Lisbon has something to offer for everyone. The conference venue itself will be a feast for the eyes, as it is located in the heart of the city and surrounded by stunning landmarks.

When the conference sessions conclude for the day, participants will have the opportunity to explore Lisbon's many attractions, including the iconic Belém Tower, the historic São Jorge Castle, and the scenic neighborhood of Bairro Alto. Additionally, the city boasts a vibrant nightlife scene, with numerous bars and clubs where attendees can unwind and socialize with fellow conference-goers.

The 16th International Conference on Enterprise Information Systems is an event of monumental importance for anyone involved in the field of information systems. From thought-provoking lectures to engaging discussions, ICEIS 2014 offers an unrivaled platform to learn, connect, and grow. Furthermore, the captivating city of Lisbon provides the perfect backdrop for this enlightening experience. Don't miss out on this opportunity to be part of the international community shaping the future of technology and its role in organizations. Book your calendars for April 27th to 30th, 2014, and get ready for a truly transformative conference journey!
