Note from author: "Going Home is a standalone title approximately 77,000 words. Tessa and Mason have a lot to overcome if they are to make their relationship work. These two people, though from the same town, are very different, but that's what I love about their relationship. I hope you enjoy reading their story as much as I enjoyed writing it.

Please note the story contains adult sexual situations, but does not contain language that I personally consider vulgar. I hope you enjoy." – Elizabeth Castle.
