This revised and expanded third edition updates the story across six generations of the VW Bus and includes additional information and pictures, including more conversions, as well new information about the very early years and the latest models. Using archive and period brochure images, and photographs of original-condition models still surviving to illustrate the detailed text, it documents the various specifications, layouts, fitments and optional equipment of over forty different conversion companies, from well-known names like Devon and Westfalia, to lesser-known or unusual models such as Slumberwagen and Arcomobil. Since publication of the first edition in 2005, followed by a revised, expanded edition in 2012, VW Camper - The Inside Story has been acclaimed by enthusiasts and lovers of the VW Camper, and has become a definitive guide to

the many different camping conversions built on the VW Transporter and Microbus.
