## **The Art of Humor**

Comedy is an art form that requires skill, timing, and an understanding of human nature. It takes a keen observational eye to find humor in the mundane and turn it into something extraordinary. Women in comedy have mastered this art, bringing their unique perspectives and experiences to the forefront.

Many female comedians use their craft to shed light on important social issues, challenging stereotypes and empowering others along the way. They tackle topics such as gender inequality, sexuality, body image, and mental health with wit, intelligence, and a touch of sarcasm.

## **Low Grade Panic**

Despite their incredible talent, many women in comedy experience a phenomenon known as "low grade panic." This term refers to the constant pressure to prove themselves, the fear of being pigeonholed, and the challenges that come with working in a male-dominated industry.

Low grade panic can manifest in various ways, from anxiety before performances to self-doubt and imposter syndrome. However, these women conquer their fears and continue to make audiences laugh, leaving a lasting impact on the world of comedy.

More than four decades ago, the groundbreaking book *Titters: The First Collection of Humor by Women* showcased the work of some of the leading female comedians of the 1970s like Gilda Radner, Candice Bergen, and Phyllis Diller. The book became an essential time capsule of an era, the first of its kind, that opened doors for many more funny women to smash the comedy glass-ceiling.

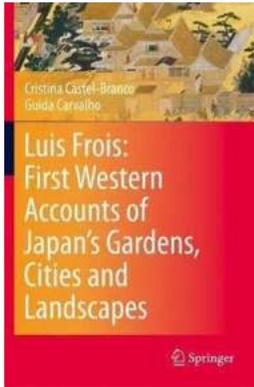

Today, brilliant women continue to push the boundaries of just how funny—and edgy—they can be in a field that has long been dominated by men. In *Notes from the Bathroom Line*, Amy Solomon brings together all-new material from some of the funniest women in show business today—award-winning writers, stand-up comedians, actresses, cartoonists, and more.

*Notes from the Bathroom Line* proves there are no limits to how funny, bad-ass, and revolutionary women can—and continue—to be.
