This collection contains the first three swoon-worthy and steamy romantic stories of The Morrison Files in it.

Book 1: Touch Me Like You Do

A chance meeting that will change her forever.

When Billionaire Shayne Matthews walked onto the stage of the convention, the second he opened his mouth and his sultry voice said Andy's name, from that moment on all she could do was daydream about what he looked like under those fancy dress clothes. A swoon-worthy, unexpected romance with two loveable characters.

Book 2: Kiss Me Like You Do

Shayne Matthews was a big mistake...a hot, dirty, mind-blowing mistake. But he broke Andy's heart so she left him far behind, vowing to never do that again. That is until he shows up in her neck of the woods.

Now all she can think about are their 'mistakes', and how damn good he was at making them. Her mind might be able to say no, but her body remembers...everything, and it seems to have a mind of its own.

Book 3: Love Me Like You Do

Andy's moved on with life—leaving Shayne Matthews far behind...again for the second time, and now hell bent on shooting her career straight to the top. But just when things get rolling, his sister hunts Andy down and begs for her help when Shayne runs into some 'issues'. And somehow she's the only one that can help

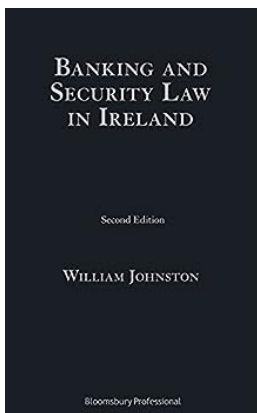

him. Is she crazy? Maybe.

Or maybe Andy's the crazy one for even considering it—wondering if this was just another ruse that will get her burned again by their heated past?
