Here's what you'll get in this boxset:

Book 7: Eight Brothers' Fiancee

The haughty twins and their six brothers knew exactly how to get me.

Even though I knew them in college, I didn't realize men could change so much. The media had shown me their wild side. Now that they're my bosses, I'm seeing something different.

It was supposed to be nothing more than a job to me, a chance for a scoop. I planned to play their game, rob them blind, and take the spoils for myself, but this arranged marriage makes me want to help.

The real question is, if they aren't the men that I thought they were, then who are they?

Book 8: Nine Marines' Shared Property

My world is turned upside down when nine hot-as-sin marine men decide to claim me.

When they tell me that there are nine of them and that they share everything, I'm taken aback. They want me to be theirs. To say I'm shocked is an understatement. How could I handle nine warriors?

I try to stay away, but it's impossible. Their commanding presence and discipline wears me down inch by inch.

Nine powerful Marines will claim me and give me pleasure like I've never experienced before.

But can I really bind myself to all nine of them?

Book 9: Ten Mountain Men's Baby

I never thought I'd be raising a baby with ten burly mountain men.

A dentist by day, my true passion is hiking. Little did I know that my six-month Appalachian adventure would lead to me falling in love with ten hot as sin men. My heart flutters when I meet Ryker Dennison. Like me, he's been adopted. Unlike me, he's brave enough to search for his biological family who live in the Appalachian mountains.

When he found his strikingly handsome 9 brothers in the mountains, they welcomed us with open arms. The sexual chemistry I feel with the ten men is all-consuming. This should be wrong, but it feels so right.

How can I desire ten men at once?

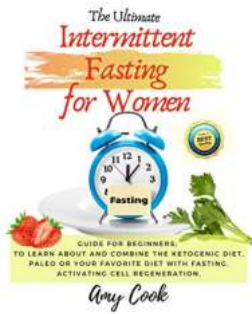

All is going well until our reverse harem relationship is threatened. Terrified, I make a decision that could cost me everything, especially when I discover that I'm pregnant with their baby. Will I raise my baby alone or find a way to reconnect with my ten mountain men?
