As a passionate theater enthusiast, I had always admired Nick from afar. His ability to captivate hearts and minds on stage was unparalleled. Little did I know that I would soon be swept off my feet by the very person I had idolized for so long.

A Serendipitous Meeting

It was one fateful evening when I decided to attend a charity event in support of a cause dear to my heart. The room was filled with glitz and glamour, but it was Nick who caught my eye. He exuded a magnetic energy that drew me in. It was as if the universe had conspired to bring us together.

We struck up a conversation that night and the connection was instant. We laughed, we shared our dreams, and in that moment, time seemed to stand still. It was the beginning of a love story that I never thought possible.

Love's Journey Amidst the Limelight

Our love blossomed amidst the whirlwind of Nick's career. From attending his rehearsals to cheering him on from the front row, I was there every step of the way. Nick's performances reached new heights as he pushed boundaries and delivered unforgettable performances.

But life in the limelight was not without its challenges. The constant scrutiny, the long hours apart, and the sacrifices were undeniable. However, our love remained steadfast, and we faced every obstacle together.

The Unforeseen Battle

Little did we know that a much greater challenge awaited us. Nick was diagnosed with a rare and aggressive medical condition that threatened to take away his talent, his dreams, and his life. A battle that tested our love in ways we never thought possible.

We fought side by side, hand in hand, through every setback and every triumph. Nick's perseverance and strength were awe-inspiring. His unwavering spirit ignited a fire within me to cherish every moment and fight for the love we shared.

Heartbreak and Loss

Despite our resilience, fate had its own plans. On that tragic day when Nick's battle ended, my world crumbled. The pain was indescribable, and the void left behind seemed impossible to fill.

I was left with a torrent of emotions, grieving the unimaginable loss of the one person who truly understood me. Nick's infectious smile and undeniable talent have now become a bittersweet memory etched in my heart forever. But I take solace in knowing that our love story, however brief, would forever be a testament to the indomitable power of love.

Nick Cordero may no longer be physically present, but his spirit lives on through the fond memories we shared. Our love story, though tinged with heartbreak and loss, will always remind me of the profound impact one person can have on our lives.

As I navigate through the bittersweet journey of healing, I will forever treasure the love we had and carry it with me. Nick Cordero will forever hold a special place in my heart, and his legacy will continue to inspire countless others.

May we all find strength in the face of adversity and cherish the love stories that touch our lives in ways we could never have imagined.

Amanda Kloots bravely reflects on love, loss, and life with her husband, Broadway star, and Tony Award nominee Nick Cordero, whose public battle with COVID-19 and tragic death made headlines around the world.

In March 2020, Broadway star and Tony Award nominee Nick Cordero was hospitalized for what he and his wife, Amanda Kloots, believed to be a severe

case of pneumonia. Entering the hospital, they had every reason to believe that Nick—a young father and otherwise healthy man—would return home. After an eventual diagnosis of COVID-19 that led to Nick’s being placed on a ventilator, Amanda took to documenting their journey on social media, showing the dangers COVID-19 posed to everyone, regardless of age. Her updates quickly captivated millions, inspiring people around the globe to dance each day to Nick’s song “Live Your Life” and offer positive thoughts and prayer. When he passed away after ninety-five grueling days in the ICU, the world grieved for Amanda, her infant son, Elvis, and the future COVID-19 had snatched away from them.

Live Your Life is the story of Nick and Amanda’s life together—of their beautiful relationship, of Nick’s dramatic fight for survival, of those sudden tragic months that permanently changed her world and ours—and of their interrupted future as a family. From the confusing early days of his illness to searching for signs of hope in every update from the doctors to the healing sound of Elvis’s laughter, Amanda details how she approached even the most devastating moments with the personal optimism and faith that have shaped her life. Written with her sister Anna Kloots, who was with her every step of this journey, Live Your Life explores how Amanda’s willingness to accept help from an entire community of people—friends, family, and even total strangers—played a vital role in enduring this hardship. In the process, she offers a touching meditation on how even the worst times have silver linings that deepen our connections to the world around us and to the people who matter most.

What emerges is an inspiring and unexpectedly uplifting message for life in the time of COVID, a vision of courage for anyone coping with overwhelming loss or the collective trauma of what the pandemic has taken from us. A poignant reflection on love, hope, motherhood, and the transformational power of music,

Live Your Life is a love letter to Nick and a reminder that, sometimes, celebrating life today is the only path through tomorrow's darkness.
