Vickers began his career as a writer, focusing initially on biographies and historical accounts. His keen interest in the royal family led him to delve into the lives of influential figures such as Queen Elizabeth The Queen Mother, Princess Alice, Duchess of Gloucester, and Edward VII, to name a few. Through his meticulous research and captivating writing style, Vickers managed to captivate readers worldwide, offering them an intimate glimpse into the lives of these esteemed individuals.

The Royal Connection

It is Vickers' relationship with the British royal family that truly sets him apart. His passion for the subject matter is evident, and his deep-rooted connections within aristocratic circles have allowed him unique access to exclusive events and information. Vickers has attended numerous royal occasions, including weddings, state banquets, and intimate family gatherings. His familiarity with members of the royal family grants him unparalleled insights, subsequently reflected in his works.

With the intent of preserving the regal chronicles for future generations, Vickers has authored numerous books that highlight the intricacies of the royal lifestyle.

His works include "Cecil Beaton: A Biography," "Loving Garbo: The Story of Greta Garbo, Cecil Beaton, and Mercedes de Acosta," and "The Quest for Queen Mary," among others. These captivating accounts offer readers a detailed understanding of the personalities and experiences that shape the lives of royal figures.

Behind the Scenes: Hugo Vickers' Unique Perspective

Throughout his career as a writer and broadcaster, Vickers has dedicated himself to amassing an extraordinary collection of personal anecdotes, photographs, and letters from various royal households. This unique perspective sets him apart from other royal biographers and allows for a fresh interpretation of historic events.

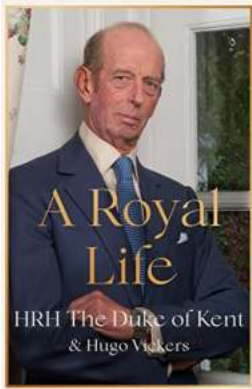

In addition to his writing prowess, Hugo Vickers has appeared as an expert commentator in numerous television documentaries, providing his expert analysis on significant moments in British royal history. These appearances have further solidified his place as a leading authority on all things royal.

The Enduring Legacy

Hugo Vickers' contribution to the preservation of royal history and culture cannot be overstated. With each meticulously researched book or captivating television appearance, Vickers invites us into a world that few get to witness firsthand.

Through his work, he breathes life into historical events and personalities, elevating the understanding and appreciation of the royal lifestyle. Whether it is the glamour and grandeur of a royal wedding or the intimate details of an individual's struggle behind closed doors, Vickers encapsulates it all with an air of reverence and intrigue.

In , Hugo Vickers serves as a bridge between the regal past and the present, offering us a glimpse into what truly goes on behind the palace walls. His dedication to uncovering the stories of the royal family and his unparalleled access to exclusive information make him a figure worthy of admiration. So, immerse yourself in the world of aristocracy and embark on a mesmerizing journey through the royal life of Hugo Vickers.

'A pleasure to read... a timely reminder of the need for service' Telegraph

HRH The Duke of Kent has been at the heart of the British Royal Family throughout his life. As a working member of the Royal Family, he has supported his cousin, The Queen, representing her at home and abroad. His royal duties began when, in 1952, at the age of sixteen, he walked in the procession behind King George VI's coffin, later paying homage to The Queen at her Coronation in 1953. Since then he has witnessed and participated in key Royal occasions. He represented The Queen at independence ceremonies from the age of twenty-five, he was riding with her when blanks were fired at Trooping the Colour in 1981, he was the oldest soldier on parade at Remembrance Sunday at the Cenotaph in

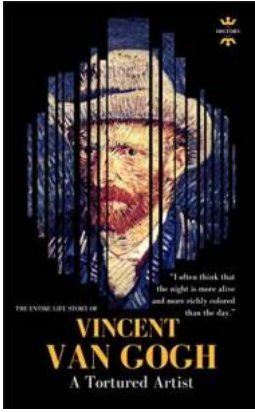

November 2020 and he was alongside The Queen at her official birthday celebrations in June 2021 as Colonel of the Scots Guards.

No member of the Royal Family has spoken extensively of the modern reign and their part in it before. A Royal Life is a unique account based on a series of conversations between the Duke and acclaimed Royal historian Hugo Vickers. It covers some of the most important moments and experiences of the Duke's life, from his upbringing at his family home Coppins in Buckinghamshire, his twenty-one years of army life, his royal tours and events, through to his work for over 140 different organisations, including presenting the trophies at Wimbledon for more than 50 years. Here too are recollections of family members including his mother, Princess Marina, his grandmother, Queen Mary, his cousin, Prince Philip, the Duke of Edinburgh, and his uncle, King George VI.

The Duke is a keen photographer and the book contains never before seen photographs from his private collection.

Other members of the Royal Family contribute their memories, including his wife, the Duchess of Kent, the Duke's siblings, Princess Alexandra and Prince Michael of Kent, his son, the Earl of St Andrews, his daughter, Lady Helen Taylor as well as his cousins, Princess Elizabeth of Yugoslavia, Archduchess Helen of Austria and her brother, Hans Veit Toerring.

A Royal Life is an unprecedented, insightful and remarkable slice of Royal history.
