The local police department, faced with mounting pressure, launched an exhaustive investigation. They meticulously combed through the crime scene, analyzing every scrap of evidence in search of the elusive killer. Tensions ran high as rumors spread and suspicions fell upon familiar faces.

While the investigation continues, the town remains vigilant, fearing the unknown and struggling to return to the peaceful existence they once knew. Children are watched more closely, doors are locked with an extra dose of caution, and the darkness of night carries an unshakeable unease.

But amidst the fear and uncertainty, there is a glimmer of hope. A dedicated team of detectives is working tirelessly to bring justice to Emily and provide closure to the community. They vow to hunt down Snake Eyes and ensure that he is held accountable for his heinous crimes.

By 1966, Hot Springs, Arkansas wasn't your typical sleepy little Southern town. Once a favorite destination for mobsters like Al Capone and Lucky Luciano, illegal activities continued to lure out-of-state gamblers, flim-flam men, and high rollers to its racetracks, clubs, and bordellos. Still, the town was shaken to its core after a girl was found dead on a nearby ranch. The ranch owner claimed it was an accident. Then the rancher was found to be the killer of another woman – his fourth wife.

The story begins when 13-year-old Cathie Ward was found dead after horseback riding at Blacksnake Ranch on the outskirts of Hot Springs, Arkansas. Frank Davis, the owner of the ranch, tells authorities Cathie's death is an accident. He claims her foot caught in a stirrup and she was dragged to her death despite his pursuit of the runaway horse. People who know the 42-year-old skilled horseman don't believe his story, and soon rumors of her rape and murder begin swirling around town.

The rumors reach a crescendo after Davis viciously guns down his fourth wife and mother-in-law in broad daylight outside of a laundromat. Davis is arrested and charged with first-degree murder. Soon after, Hot Springs authorities re-open the investigation into Cathie Ward's death.

Snake Eyes is the first book to examine this decades-old murder and cover-up, and the only in-depth account of the man who would become the town's most notorious villain. Featuring personal interviews, crime scene records, court

documents, and Davis' own prison files, author and lifelong Hot Springs resident Bitty Martin reveals the true story for the first time.
