

The Common Sense Way: Unveiling the Hidden Gems of Practical Wisdom!

UNVEILING THE HIDDEN SENSE

**Farewell lecture
May 30, 2008**

Welcome to a world where practical wisdom reigns supreme, a world where common sense is not so common anymore. In a society filled with information overload, complex problems, and countless distractions, rediscovering The Common Sense Way can be a transformative journey.

Understanding Common Sense

Common sense is the intuitive ability to perceive and reason with practical understanding. It is the voice of reason that guides us to make simple and

effective choices. Unfortunately, it has become an underutilized superpower that many have forgotten or overlooked in an age dominated by technology and hyper-specialization.

The Hidden Gems of Practical Wisdom

The Common Sense Way holds a treasure trove of hidden gems that can help us navigate the complexities of daily life. These gems encompass various aspects, including decision-making, problem-solving, communication, and relationships.

1. Decision-Making

With an ever-increasing number of choices and possibilities, decision-making can be overwhelming. However, The Common Sense Way teaches us to simplify and prioritize. By focusing on what truly matters and considering the long-term consequences, we can make informed decisions and avoid unnecessary stress.

2. Problem-Solving

The Common Sense Way empowers us to approach problem-solving strategically and holistically. It encourages us to break down complex problems into manageable steps, analyze the root causes, and leverage our resources wisely. By tapping into our common sense, we unlock the ability to find practical solutions.

3. Communication

In a world dominated by instant messaging and social media, effective communication becomes more important than ever. The Common Sense Way emphasizes active listening, clarity, and empathy. It teaches us to choose our words wisely, ask meaningful questions, and consider the impact of our communication on others.

4. Relationships

Nurture meaningful relationships is vital for personal and professional growth. The Common Sense Way helps us build strong connections by promoting mutual respect, trust, and understanding. It reminds us to prioritize face-to-face interactions, express gratitude, and give our undivided attention to those around us.

The Journey of Rediscovery

Rediscovering The Common Sense Way is an individual and collective journey. It requires us to slow down, reflect, and unlearn some of the patterns that hinder our common sense intuition. It means reconnecting with the present moment, embracing simplicity, and seeking wisdom from diverse sources.

Embracing The Common Sense Way

Embracing The Common Sense Way is not about reinventing the wheel but acknowledging the timeless wisdom that has guided generations before us. It is

about integrating common sense into our daily lives and decision-making processes. It is a mindset shift towards practicality, simplicity, and authentic living.

The Common Sense Way holds the key to unraveling the complexities around us, providing us with a refreshed perspective on life. Let us embark on this journey together, reawakening the hidden gems of practical wisdom within us and empowering ourselves to make a positive impact in the world.

This is a book about "Common Sense," what it is, how to make it, and how to put it into practice across all contexts of leadership and life. Its also a book of story's from my leadership journey across continents, cultures, and contexts (e.g. combat, business, and government). In this book you'll learn what I learned and what many other common sense leaders across the ages have learned before us:

- What is "common sense"
- How our brains "make sense" of what's going on around us
- How to use common sense to motivate, inspire, and persuade

- How to keep cool in a crisis and make sensible choices about what to do next
- How to use common sense to select the best people and build the best teams
- How to create a common sense of shared purpose and direction
- How to Live, Learn, and Lead the “Common Sense Way.”
