When Marina Moore loses her job, she seeks refuge at her grandmother's beach house called the Coral Cottage. Now in her mid-forties with children in college, Marina is in dire need of her grandmother's gutsy advice to a well-lived life. Soon Marina's sister Kai arrives on a summer break from her musical theater troupe. Together, the sisters discover that life might hold a second chance for each of them.

Jack Ventana is on a six-month sabbatical to write his first book. The only company he wants is his inquisitive Labrador Retriever puppy, but when he receives a call from an old colleague, he finds his life altered in ways he never imagined—including the prospect of romance.

What began as a short, reclusive holiday is destined to change Marina's life, especially when Jack's research uncovers her grandmother Ginger's hidden past. Join the fun in Summer Beach, where the bonds of friendship and love prove unbreakable.
