Chapter 1: The Crystal Skulls' Origins

At the heart of the crystal skull mystery lies the question of their origin. While some skeptics argue that the skulls are nothing more than modern hoaxes, the Crystal Skull Explorers present compelling evidence that suggests an alternative narrative.

Based on extensive research and collaboration with renowned experts, they propose that crystal skulls were created by ancient civilizations as vessels of knowledge, repositories of wisdom, and tools for communication with higher realms. These extraordinary artifacts were believed to possess supernatural qualities and were often considered sacred objects.

Chapter 2: Crystal Skulls and Ancient Prophecies

Throughout history, crystal skulls have been associated with prophecies and predictions that foretell significant events and shifts in consciousness. The Crystal Skull Explorers delve deep into ancient texts, oral traditions, and indigenous wisdom to unravel these prophecies encoded within the crystal skulls.

From the Mayan prediction of the end of the world to the Hopi prophecy of a great purification, the crystal skulls have served as powerful tools for divination and guidance. By tapping into the wisdom contained within these artifacts, the Crystal Skull Explorers believe they are decoding the messages and warnings left by our ancient ancestors.

Chapter 3: Pilgrimage to Sacred Sites

Guided by the crystal skulls, the intrepid explorers embark on breathtaking journeys to sacred sites around the world. From the mystical pyramids of Egypt to the legendary Machu Picchu in Peru, the Crystal Skull Explorers venture into ancient landscapes infused with spiritual energy.

Through their encounters with local shamans, spiritual leaders, and indigenous communities, the explorers gain a deeper understanding of the spiritual significance of crystal skulls in these sacred spaces. These sacred sites serve as portals to connect with the wisdom of our forefathers, opening a gateway to profound insights and transformative experiences.

Chapter 4: Crystal Skulls and Healing Energies

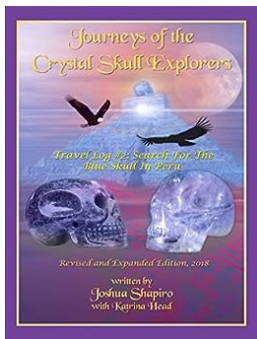

One of the most intriguing aspects of crystal skulls is their purported healing capabilities. The Crystal Skull Explorers explore the fascinating link between crystals, consciousness, and the human energy field.

Accompanied by renowned healers and crystal experts, the explorers explore the therapeutic potential of crystal skulls in alleviating physical, emotional, and spiritual ailments. This chapter delves into the science behind crystal healing, providing fascinating insights into the intricate interplay between crystals and the human energy system.

: Unveiling the Secrets

The Journeys of the Crystal Skull Explorers offer an awe-inspiring glimpse into the mystical world of crystal skulls and their profound connection with ancient civilizations. Through their relentless pursuit of knowledge and exploration, they unravel the secrets hidden within these extraordinary artifacts, shedding light on our collective human history and pushing the boundaries of understanding.

In a world filled with unanswered questions and elusive mysteries, the Crystal Skull Explorers provide a beacon of hope and discovery. By embracing the enigmatic powers of crystal skulls, they motivate us all to embark on our own journeys towards self-discovery, enlightenment, and a deeper connection with the ancient wisdom that permeates our existence.

The Travel Log series of Books is written by the Crystal Skull Explorers, Joshua Shapiro and Katrina Head. This unique series provides for you, the reader, a front row seat to join the CS Explorers on their world journeys seeking out to discover the truth related to the Mysterious Crystal Skulls and how these ancient artifacts will take our world into a "Golden Age" into the near future. Within this specific book, Travel Log #2: We follow three journeys (or excursions) made by Joshua Shapiro from 1997 - 2002, traveling to the northern part of Peru, up into the Andes Mountains (over 10,000 feet high), near the border with Ecuador, looking for a sky blue transparent two piece crystal skull that prior to this time, had constantly appeared to Joshua as a vision in his mind's eye. Joshua has called, this crystal skull, "The Blue Skull". Now furthermore, on each of these three amazing journeys into Peru that he writes about, he uses his daily journal notes written into a laptop computer to fully describe all the amazing activities and events which happen around him and his travel companions, as they go from place to place to uncover the whereabouts of "The Blue Crystal Skull". This book is not just about the crystal skulls themselves but discusses many other ancient mysteries and paranormal phenomena that show up during these travels. This is crystal skull book you must read as it is like none other you will ever find! Joshua

Shapiro & Katrina Head met in Atlanta in 2009 and are soul mates and life companions who have dedicated their lives to discover the answers to the secrets of the Crystal Skulls and share the key information and knowledge they have uncovered with the general public. In 2018, when this updated edition was re-released, they personally have over 20+ crystal skulls within their private collection with a few of their crystal skulls to be believed to be quite old in their original creation. Joshua has participated in a number of TV documentaries about the crystal skulls, he has done public talks all over the world and starting in 2018, he has written his first paranormal novel (also available via Amazon) with a friend in the UK of which the crystal skulls are featured and play a key role. He believes this novel which will eventually become a trilogy of books will be made into a feature film. The Crystal Skull Explorers are still very active and continue to do their investigations and sharing on the mysterious crystal skulls as different opportunities come up for them.
