Chapter 1: The Birth of a Rebel

Our story begins in the small town of Dusty Creek, where our protagonist, Jake Turner, grew up amidst hardship and poverty. Raised by a single mother, Jake was no stranger to adversity. Disenchanted with the inequities of society and fueled by an insatiable desire for freedom, he embarked on a journey that would change his life forever.

Although initially driven by a desire for personal liberation, Jake's path soon took a more defiant turn. Faced with a corrupt local government and rampant injustice,

he channeled his frustration into acts of civil disobedience, effectively becoming a rebel with a cause. As his audacity and reputation grew, so did his following among the disillusioned and oppressed.

Chapter 2: The Rise to Infamy

Word of Jake's exploits spread like wildfire, reaching even the farthest corners of the country. His audacious heists, lightning-fast getaways, and unyielding charisma started earning him a reputation as a notorious outlaw. With each successful robbery, the legend of Jake Turner grew.

The media played a significant role in cementing Jake's place in the annals of outlaw history. Newspapers splashed sensational headlines across their pages, embellishing his escapades and creating a mythology around him. The public, captivated by his outlaw persona, fueled the narrative with endless fascination.

Chapter 3: The Outlaw's Redemption

As Jake's notoriety increased, so did his longing for something more. The glamour and fleeting thrills of the outlaw life began to lose their appeal. He yearned for redemption and a chance to leave behind a lasting legacy.

With great trepidation, Jake made the decision to turn himself in to the authorities. Expecting a life behind bars, he was surprised by the compassion and understanding he encountered. Recognizing that his acts were driven by a deep-rooted desire for justice, an enlightened judge saw potential in him.

Thus began the remarkable transformation of Jake Turner, the outlaw, into Jake Turner, the reformer. Embracing his past, he used his experiences to advocate for social change and champion those who had fallen victim to the same oppressive systems he once fought against.

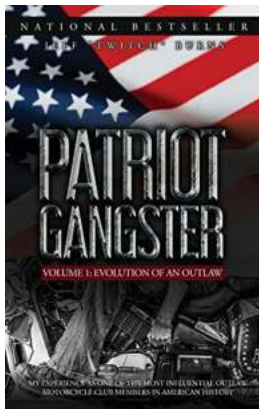

Chapter 4: The Legacy Lives On

Jake's dedication and transformation didn't go unnoticed. His story of redemption touched the hearts of millions and inspired a new generation to stand up against injustice. Jake Turner became a symbol of hope and resilience, reminding us that even the most troubled souls can find redemption and chart a new course.

In the years that followed, Jake established organizations to support former inmates in their reintegration into society. He also worked tirelessly to expose corruption within the legal system and fought for equal rights for all. The once notorious outlaw became a revered figure, receiving accolades for his contributions and leaving a lasting impact on the world.

The evolution of an outlaw is a testament to the power of personal transformation and the indomitable spirit of rebellion. Jake Turner's journey from rebel to legend highlights that even in the darkest of times, there is always room for redemption and the opportunity to create a lasting legacy.

So as we continue to be captivated by tales of outlaws, let us remember that behind the fearless facade, there may lie a desire for justice and change. And perhaps, amidst the chaos, we can find inspiration to become better versions of ourselves.

This ground-breaking trilogy tells the incredible story of Jeff “Twitch” Burns’ twenty-two years in the one percent outlaw motorcycle club culture, his rise to become one of the most influential outlaw motorcycle club members in American history, and his fight to defend the Constitution and protect the culture he loved from a corrupt element of law enforcement bent on eradicating the motorcycle club culture at any cost.

Patriot Gangster is the very first work of its kind to pull the curtain back, reveal all the secrets, and tell the truth about American outlaw motorcycle club culture. Patriot Gangster uses the story of the author’s time in the outlaw motorcycle club culture combined with his 25 years of covert operations and law enforcement experience to explain the realities of Outlaw Motorcycle Club culture, while at the same time conducting a well-evidenced analysis of the Outlaw Motorcycle Gang (OMG) investigations and the indictments used to define the culture, many of which he was a target of, and it exposes an undeniable and shocking pattern of corruption and criminality by the undercover agents and their contract sources of information that demands congressional oversight and reform. This explosive trilogy is riveting, it systematically destroys the accepted narrative about outlaw motorcycle clubs, and effectively uses the authors personal and professional experience, never before seen personal photos, as well as the corrupt undercover agents own words, to establish that the real criminal organizations are the Outlaw Motorcycle Gang (OMG) investigations and law enforcement that

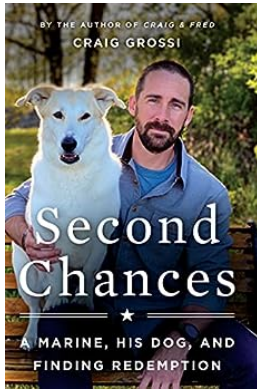

target the motorcycle clubs, and not the outlaw motorcycle clubs as we have been led to believe.

Patriot Gangster: Volume I, Evolution of an Outlaw; is the first book in the series and follows Twitch's adventures from his entry into the outlaw motorcycle club culture through the birth of the American Motorcycle Profiling Movement, and the passing of the very first motorcycle profiling law in the United States.

ADVANCE REVIEWS

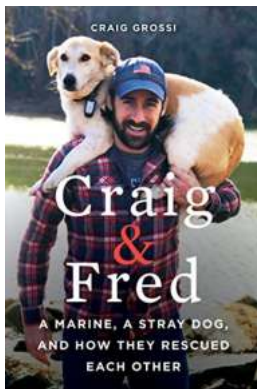

"This is a great example proving basic rights denial with judgements made on the actions of a few people. The author states a very clear message "America needs to know this story because our Constitution is being attacked, our freedom threatened, innocent people are being framed and murdered, and the outlaw motorcycle club culture is on the verge of extinction." I firmly support his view and law students may find this a great book to learn how a law can be changed in a peaceful manner based by the unity of people. Jeff Burns ended this book very powerfully, and I look forward to reading his next book in the Patriot Gangster Trilogy: The Enforcer." - official OnlineBookClub.org review of "Patriot Gangster: Volume 1, Evolution of an Outlaw" by Jeff Burns.

"He "talks the talk" but also walks the walk. His vivid stories of "fucked up situations" (such as a tense hotel room standoff between him and a seriously pissed-off Hell's Angel for an unwitting protocol violation) separate true tough guys from wannabes. The author's charisma and personality are disarming." - Kirkus Reviews
