This original photographic collection includes wildlife photographs taken by August Farrow in Idaho: United States.

In this book, I will give you the exact same experience I have had – that of walking through nature and stumbling across a variety of flora and fauna without labels or descriptions.

Rather than a reference book, this is more of a photographic catalog.

I hope this book will encourage you to go out and explore the natural world.

Includes:

- Upper Mesa Falls - Ashton, Idaho
- Harriman State Park - Island Park, Idaho

Additional Idaho wildlife can be found in:

- Insects: A Photographic Collection: Idaho
- Birds: A Photographic Collection: Idaho.

Excludes locations in North America that already have their own books.

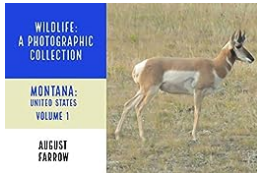

All subjects depicted are feral or wild.

This collection includes full color images. View them in color on your color-enabled Kindle device OR download the free Kindle app to view this title on your smart phone, tablet, laptop, netbook or computer!

Due to limitations in the number of photographs that can successfully be built into a file using this format, different locations usually have more than 1 book. Insects, Birds, Other Wildlife, Scenery and Plants are also often separated out into different volumes with some having multiple installments.

To find specific, additional titles, simply type in August Farrow and a keyword such as a subject (Insects) and/or place (such as Houston) in the search box of this retailer's page. For example: "August Farrow Birds" or "August Farrow Texas" or "August Farrow Insects Texas" or "August Farrow Wildlife Memorial Park".

To receive email notification of when a new title is released, click the yellow "Follow Author" button under the SeaMonkey Ink avatar on the Amazon Author Page. To find the page, simply click on "August Farrow" on any search result or product page.
