

# The Official Companion: Read The Essays, Abuse The Rules, Win The Game

Child abuse is common nowadays. Everyone knows what is child abuse. First of all, the meaning of child abuse is mistreatment of children that is divided by four major parts that is physical, emotional, sexually and neglect. This four major part can happen simultaneously. Obtained from freedictionary.com, the other definition of child abuse is,

*Child Abuse has been defined as an act, or failure to act, on the part of a parent or caretaker that results in the death, serious physical or emotional harm, Sexual Abuse, or exploitation of a child or which places the child in an imminent risk of serious harm*

*(thefreedictionary.com. access time : 11.08am 1<sup>st</sup> September 2013)*

Physical abuse that is one of the major part of abuse can be defined as any non-accidental injury to a child. This includes hitting, kicking, slapping, shaking, burning, pinching, hair pulling, biting, and choking. Next is Emotional abuse or in other words attitude or behaviour which interferes with a child's mental health or social development. This includes yelling, screaming, name-calling, negative comparisons to others or saying that they are "bad, no good, and worthless" or "a mistake." The third part is sexual abuse. That means any sexual act between an adult and child. This can be considered as Pornography, exhibitionism, child prostitution, group sex, oral sex, or forced observation of sexual acts. And the last one is neglect. It means failure to provide for a child's physical needs.

There are many factors contributing child abuse. We can separate the factor of child abuse into three part. There are environmental factors, child factor and family factor. Firstly, environment factor means the problem start due to the situation and location. Sometimes, the problem started with family and parent. Some of the parent does not have job or unemployed. Especially when living in the city, money is very important. So, if the parent does not have the money to buy what the family needs, they are easily stressed. In addition, living in dangerous neighbour can also contribute to child abuse. Sometimes, people do not care about their neighbour and parent. They do not care what happen to their neighbour whether it is good or bad. This always occurs in the cities. Other than that, environment factor is the influences of the media. Nowadays, television, movies and internet is uncontrollable. Some of the media are unrated by government. There are many violent scenes in movies and internet that people can access easily. So, some people started to copy what they have watched from the movies.

Secondly, the factor contributing child abuse is the child of its own. Sometimes, the children can be a problem. That is, for children in the age of 1 to 4 years old, they lack of care and love from parent. It is because of a few factors like the parent is too busy with their

With 18 exclusive Munchkin® game rules!

By gently – and sometimes not so gently – mocking the fantasy dungeon crawl and the sacred cows of pop culture, the Munchkin card game has stabbed and sneaked and snickered a path to the pinnacle of success. Along the way, it has sold millions of copies, been translated around the world, and spawned more than two dozen sequels and supplements.

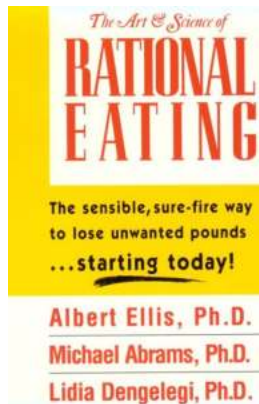

More fun than a Chainsaw of Bloody Dismemberment and more useful than a Chicken on Your Head, The Munchkin Book is a lighthearted and suitably snarky celebration of all things near and dear to the munchkin heart, featuring exclusive content from:

Munchkin's designer and Steve Jackson Games president Steve Jackson  
Munchkin's signature artist John Kovalic (creator of web comic Dork Tower)  
Steve Jackson Games' "Munchkin Czar" Andrew Hackard  
CEO of Steve Jackson Games Phil Reed
