Ever wonder how certain single moms are successful at raising their children while succeeding their goals? Thriving single, divorced, and blended moms do not conform to the labels of society. They hold down their households solely, attain their degrees, establish businesses, serve in their communities, and demonstrate to their children that there are no limits.

In Volume 1, you'll learn how to:

- Win in co-parenting, including child support and visitation rights
- Navigate blended parenting waters
- Have those difficult conversations with your son/daughter about sex, drugs, and bullying
- Equip your teens with the tools needed to prepare them for adulthood
- Radiate confidence in achieving your goals and walking in your purpose without allowing your circumstances to dictate your success

There is no magic formula - only drive and determination. So, shake the shame and defy the stereotypes of single motherhood!
