The Legend of Redwood's Butcher: Unearthing the Terrifying Truth

There is one particular tale that haunts the town of Sutton to this day - the legend of Redwood's Butcher. In the late 19th century, the idyllic village of Sutton became the epicenter of a wave of brutal murders that sent shockwaves through the community.

It is said that the Butcher lurked in the shadows, preying on unsuspecting victims who wandered too close to his isolated cabin in the woods. The gruesome details of these killings sent fear coursing through the veins of every resident, forcing them to question their safety in the otherwise peaceful town.

As the body count continued to rise, the residents of Sutton organized themselves into search parties, determined to bring an end to the reign of terror that had gripped their community. The efforts of these brave individuals eventually led to the capture of the Redwood's Butcher and the eventual revelation of a secret so sinister, it would forever stain the history of Sutton.

Wiltshire Murders brings together numerous murderous tales, some which were little known outside the county, and others which made national headlines. Contained within the pages of this book are the stories behind some of the most heinous crimes ever committed in Wiltshire. They include the murder of Eliza Jones, stabbed to death by her common-law husband in 1836; the shooting of a policeman in 1892; Mary Ann Nash, who disposed of her illegitimate son in 1907 by dropping him into a disused well; and Edward Richards, who died in Trowbridge during an attempted robbery in 1925. Nicola Sly's carefully

researched, well-illustrated and enthralling text will appeal to anyone interested in the shady side of Wiltshire's history, and should give much food for thought.
