The Mind of a Frauditor

Peter Tickner, a renowned expert in fraud detection and forensic accounting, has dedicated his life to unraveling even the most complex financial webs. With decades of experience as a Certified Fraud Examiner (CFE), he has seen it all – from corporate embezzlement to money laundering and everything in between.

Tickner brings these thrilling tales to life, offering readers a glimpse into the mind of a frauditor; someone who possesses the unique ability to think like a fraudster while adhering to the rigorous standards of the auditing profession. The book provides a rare opportunity to understand the delicate balance between intuition and evidence that fraud investigators must maintain.

Unmasking the Tricks

The Successful Frauditor Casebook doesn't shy away from the nitty-gritty details of each case. Each chapter dissects a different fraud scheme, laying bare the strategies employed by these master manipulators. From creative accounting practices to forging documents, Tickner unmask every trick in the fraudster's toolkit.

One particular case revolves around a charismatic CEO who managed to embezzle millions from the company for personal gain. Tickner walks readers through the convoluted maze of financial transactions and shell companies that allowed this executive to evade detection for years. It is a story that showcases

the immense challenge faced by auditors in uncovering sophisticated fraud schemes.

Lessons for Aspiring Auditors

While "The Successful Frauditor Casebook" captivates readers with thrilling narratives, it also serves as a practical guide for aspiring auditors. Each case is followed by a comprehensive analysis of the red flags auditors should look for and the steps to take in similar situations.

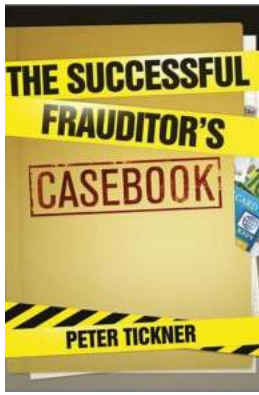

The book offers invaluable insights into the oft-overlooked art of skeptical inquiry – constantly questioning and probing until the truth is revealed. Tickner emphasizes the importance of both technical knowledge and intuition in navigating the treacherous waters of fraud detection.

A Beacon of Inspiration

Tickner's expertise and passion for unraveling financial deception shine through every page of "The Successful Frauditor Casebook." His remarkable ability to transform complex financial jargon into an engaging narrative makes this book accessible to readers from all walks of life.

Whether you are an auditor seeking to hone your skills or simply a lover of thrilling crime stories, this book is guaranteed to captivate and educate. Prepare to immerse yourself in the world of fraud investigation and witness firsthand the remarkable triumphs of the frauditors as they expose the hidden truths behind the facades of financial deception.

Don't miss the opportunity to join Peter Tickner on this exhilarating journey. Grab your copy of "The Successful Frauditor Casebook" today and unlock a world of financial intrigue waiting to be unraveled.

Learn what works well and avoid the pitfalls in the real world of fraud detection and fraud investigation

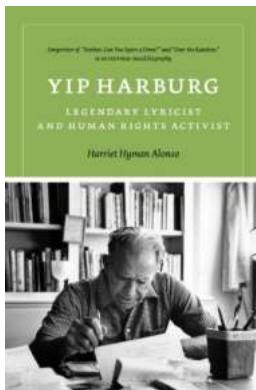

This casebook reveals how frauds and fraudsters were discovered—and delves into the investigations that followed. Each chapter covers a particular case, analyzing the factors that allowed fraud to develop and assessing the effectiveness of the detection process and the resulting fraud investigation. Importantly, the casebook examines the steps taken by organizations to recover from the cost of fraud and the damage that fraud has caused.

- High-profile author, Peter Tickner, is well known in auditing and investigative circles
- Cases of fraud, drawn from the author's direct experience as well as world-wide, are supplemented with checklists and practical guidance on fraud detection
