50% off through August 28th! Have you ever wanted more out of your fantasy football league? Ever argued with other owners for changes that seemed obvious but no one was really backing you up? Ever wanted your league to do an Auction Draft instead of that “snake thing” but all your petitions fell on deaf ears? T10 Fantasy Revolt: You Deserve a Better League is an independent critique of the industry; exposing its inconsistencies, origination flaws, backwards logic and slow-steady consistent micro-changes as proof and prescribes that the original “standard league” set up should be entirely abandoned. The author takes a comprehensive approach to fixing those foundational flaws and spends 3 NFL seasons mixing and matching different on field statistics with various point values to achieve more accurate fantasy settings and scoring system nirvana.
