

# The Ultimate English-Spanish Learner Dictionary Arranged By Themes for Beginners to Upper-Intermediate Level

Are you trying to learn English or Spanish? Having a reliable dictionary by your side can make the learning process much easier and more enjoyable. Not only can it provide you with accurate translations, but it can also help you understand the cultural nuances associated with both languages. One fantastic resource that stands out from the rest is the English Spanish Learner Dictionary Arranged By Themes, designed specifically for beginners up to upper-intermediate learners.

## The Benefits of a Dictionary Arranged By Themes

Traditional dictionaries can be overwhelming with their long lists of words and definitions. However, the English Spanish Learner Dictionary Arranged By Themes takes a different approach. It organizes vocabulary into thematic categories, making it easier to find and learn new words related to a specific topic.

This arrangement has several advantages. Firstly, it provides context, enabling you to understand the meaning of words in a real-life situation. Secondly, it helps you build a strong vocabulary base by focusing on relevant words. Thirdly, it allows for quicker word recall as words are connected to specific topics, making mental associations stronger.

Multi Linguis offers you a frequency-thematic learner's dictionary of the Spanish language.

It includes up to 9000 essential words and phrases belonging to the levels from Beginner to Upper Intermediate II (A1 - B2.2 CEFR). The entries are divided into

150 vocabulary themes as well as 6 learning steps. They are arranged by themes, not by the alphabet.

The book is intended to help you learn and revise this language but can also be applied for translating or entertaining. You may use it separately or as an additional tool for any suited educational course.

The Multi Linguis Project is based on the Wiktionary corpus and created by one person.

The database of the Learner's Dictionaries includes 9 000 lemmas (words and phrases), their translations in many languages as well as transcriptions, transliterations and grammar information.

All these lemmas are divided into 6 learning steps of 1500 entries each and also 150 vocabulary themes grouped in 30 super themes. They can be arranged by themes, steps, parts of speech or keywords, but never by the alphabet.

Different types of dictionaries are offered for the same language. They are designed in an original way to be convenient and efficient. All of them are available in mobi format.

Multi Linguis is presently able to publish such books for more than 70 languages. It's planned to improve them and increase their number.

You can find more dictionaries in this store.
