Step 1: Seek Guidance

The first step on your path to initiation is to seek out a mentor or guide who can lead you through the labyrinth of knowledge. Look for individuals who are well-versed in esoteric teachings and have themselves undergone the initiation process. Seek out their wisdom and guidance as you embark on your own journey.

Step 2: Deepen Your Knowledge

Before you can fully engage with the Mysteries, it is essential to deepen your knowledge of esoteric subjects. Dive into ancient texts, philosophical treatises, and spiritual writings. Immerse yourself in the wisdom of the ages, and let it shape your understanding of the world.

Step 3: Purify Your Mind, Body, and Spirit

The path to spiritual enlightenment requires a clean and balanced vessel. Take the time to purify your mind, body, and spirit through practices such as meditation, yoga, and detoxification. By doing so, you ensure that you are ready to receive the transformative energies that initiation bestows.

Step 4: Join a Mystery School

Consider joining a Mystery School or an esoteric organization that aligns with your interests. These institutions offer structured programs and rituals designed to guide initiates through the various stages of spiritual development. Choose one that resonates with you and commit to the journey.

Step 5: Undergo Initiation

Initiation is the gateway to the Mysteries. It is a sacred and transformative experience that marks the beginning of a new chapter in your spiritual journey. Each initiation ceremony is unique to the specific Mystery School or tradition you are part of, and may involve symbolic rituals, tests, and teachings that unlock hidden knowledge within you.

Remember, initiation is not a one-time event but a lifelong process. It signifies your commitment to the pursuit of wisdom and enlightenment. Embrace the challenges and revelations that come your way as you continue to unfold the secrets of the Mysteries.

The journey of becoming initiated into the Mysteries is one of profound self-discovery and spiritual growth. It is a path that has been traveled by countless seekers throughout history, and it continues to captivate those who yearn for a deeper understanding of the universe and their place within it.

By following the steps outlined in this guide, you can embark on your own initiation journey. Seek guidance, deepen your knowledge, purify yourself, join a Mystery School, and undergo initiation. Embrace the mysteries that unfold before you, and let them guide you towards a life of profound wisdom and fulfillment.

Remember, the path of the Mysteries is not for everyone. It requires dedication, perseverance, and an unwavering thirst for knowledge. But for those who are called to it, the rewards are immeasurable.

“Back Door Into Hermetics” is a groundbreaking work in spiritual development. A spiritual successor to the late mystic Franz Bardon’s book, “Initiation Into Hermetics.” Back Door Into Hermetics is a comprehensive description of the metaphysical principles necessary to attain liberation and freedom, along with detailing immediate steps to accelerate spiritual development. This monumental volume treats spiritual growth with a comprehensive depth that is unique in works of this nature. Back Door Into Hermetics draws upon much-coveted, “closed-door” insider’s information to provide a roadmap toward the soul’s ultimate desired destination. Mark Rasmus has combined his expertise with martial arts and Hermetics to create the Elastic Force System. Considered a master of applied Hermeticism, Mark has taught thousands of students Wing Chun, Tai Chi, Qi Gong, and other internal martial arts, and Hermetics over more than three decades. Jake Senn has been a student of Hermetics and the works of Franz Bardon since his early teens. Jake teaches various subjects online, ranging from basic meditation to a 20+ hour video course on emotional intelligence based upon the four elements. Jake has studied over several long periods with Mark in Asia.

Part 1: Theory. The reader is introduced to concepts for succeeding with these exercises. This theory section helps create a basis for the practice streams you (the reader) will start in later chapters.

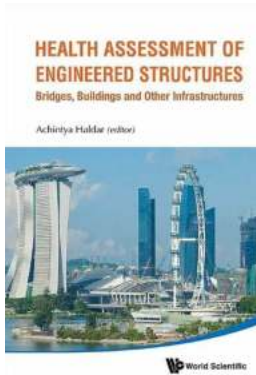

Part 2: The Mental, Astral, and Physical Streams of Practice. This section covers streams of practice one must enter to be fully initiated into Hermetics., This unique and effective system emphasizes practicing like a stream, from one activity to the next in great flow and frequency. Success in step one begins advancing the student further and further in all other actions of that stream. Practicing from a variety of approaches in the three taught streams will amplify powers that arise significantly.

Part 3: Causation Chains. Covering all of the different causation chains, one can expect rapid progress toward long-term goals and ambitions. Causation chains are much like a row of dominoes— when one is knocked down, the whole row falls. Reverse engineering any skill, using the physical, astral, mental, akashic, and non-dual light skills that you will continually cultivate through practice. By taking a universal approach to spiritual development, “Back Door Into Hermetics” allows a dedicated practitioner to cultivate the most significant personal and spiritual agency levels to be obtained.
