The Personal Struggles and Triumphs of President Obama:

From his early days as a community organizer in Chicago to his path-breaking campaign and historic election, this memoir delves into the personal struggles and triumphs that molded Barack Obama. Discover the emotional weight carried by the President as he navigated the ongoing battles for unity, equality, and justice.

Step into his shoes as he grapples with the mounting pressure of leading a divided nation and faces the realities of racism, political polarization, and immense expectations. Gain rare insights into the decisions that defined his

presidency, including the groundbreaking Obamacare legislation, the historic Iran nuclear deal, and his tireless efforts to combat climate change.

Unforgettable Moments and Intimate Portraits:

The memoir reveals intimate portraits of the iconic figures who walked the halls of the White House. From the wise and steadfast presence of First Lady Michelle Obama to the unforgettable charm of Vice President Joe Biden, this memoir showcases the unique dynamics within Obama's inner circle.

Get a front-row seat to the historical moments that shaped the world – from the heartbreaking struggle for gun control after the Sandy Hook school shooting, to the emotionally charged final days in the White House. This memoir pulls back the curtain to expose the raw humanity, the friendships forged, and the sacrifices made by those who served during Obama's presidency.

A Journey of Hope and Inspiration:

More than just a political memoir, this book is a journey of hope and inspiration. It celebrates the power of democracy, the importance of inclusivity, and the enduring American spirit that can overcome the greatest obstacles.

Prepare yourself for an emotional rollercoaster as you witness the highs and lows, the moments of triumph and despair within the Obama White House. Discover the immense responsibility carried by the President, the profound impact of his decisions, and the unyielding hope that propelled him through turbulent times.

So, if you're ready to delve into the untold stories of the Obama White House, grab your copy of this remarkable memoir today! Prepare to be captivated,

moved, and forever changed by the remarkable journey of Barack Obama and the indelible mark he left on American history.

NEW YORK TIMES BESTSELLER • From one of Barack Obama’s most trusted aides comes a revelatory behind-the-scenes account of his presidency—and how idealism can confront harsh reality and still survive.

“The closest view of Obama we’re likely to get until he publishes his own memoir.”—George Packer, *The New Yorker*

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE GUARDIAN

For nearly ten years, Ben Rhodes saw almost everything that happened at the center of the Obama administration—first as a speechwriter, then as deputy national security advisor, and finally as a multipurpose aide and close collaborator. He started every morning in the Oval Office with the President’s Daily Briefing, traveled the world with Obama, and was at the center of some of

the most consequential and controversial moments of the presidency. Now he tells the full story of his partnership—and, ultimately, friendship—with a man who also happened to be a historic president of the United States.

Rhodes was not your typical presidential confidant, and this is not your typical White House memoir. Rendered in vivid, novelistic detail by someone who was a writer before he was a staffer, this is a rare look inside the most poignant, tense, and consequential moments of the Obama presidency—waiting out the bin Laden raid in the Situation Room, responding to the Arab Spring, reaching a nuclear agreement with Iran, leading secret negotiations with the Cuban government to normalize relations, and confronting the resurgence of nationalism and nativism that culminated in the election of Donald Trump.

In *The World as It Is*, Rhodes shows what it was like to be there—from the early days of the Obama campaign to the final hours of the presidency. It is a story populated by such characters as Susan Rice, Samantha Power, Hillary Clinton, Bob Gates, and—above all—Barack Obama, who comes to life on the page in moments of great urgency and disarming intimacy. This is the most vivid portrayal yet of Obama’s worldview and presidency, a chronicle of a political education by a writer of enormous talent, and an essential record of the forces that shaped the last decade.

Praise for *The World as It Is*

“A book that reflects the president [Rhodes] served—intelligent, amiable, compelling and principled . . . a classic coming-of-age story, about the journey from idealism to realism, told with candor and immediacy . . . His achievement is rare for a political memoir: He has written a humane and honorable book.”—Joe Klein, *The New York Times Book Review*
