Can the ex-president survive in jail? Two innocent secret service agents go to prison to protect him after he is thrown out of office.

Satire is the best medicine.

Eddie and Ramon, both minorities, who are thrown in jail to protect a white ex-president, convicted of serious crimes. They are tricked into taking the

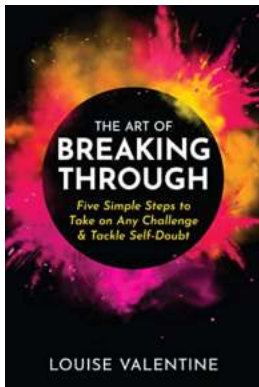

assignment. Once in prison, the two agents consider how to best survive. Should they let the other inmates kill him? Or does their sense of loyalty get in the way? To half the voters, the ex-president, Agostino Castronovo, is one of the most widely hated men in his country. He stole an election through fraud. He cheated the country out of millions of dollars. To others he is a hero, an innocent victim of a witch hunt sent to a high security New York penitentiary. In order to protect the president, Eddie and Ramon try to make a deal with the gangs who rule it. But it is unclear whether he will get protection, or whether they will harm the ex-president.
