

The Year Of The Dogs - A Year Filled with Loyalty, Friendship, and Adventure!

DOG

Dogs are naturally honest and faithful to the ones they love. Dogs seem to specialize -- they find an hobby or interest they enjoy and stick to it. Unfortunately, most Dog people are plagued by worry, a sharp tongue, and a tendency to find fault in things. They have a sense of justice and fair play, and are particularly good at finding logical solutions to problems. As far as Dogs are concerned, it is the people that count. Trustworthy friends and good conversationalists, Dogs have a tendency to hold grudges until appeased. Despite having a temper at times, they need loving, stable relationships. Once they've found their mate, they are faithful for life.

The following occupations best suit the Dog personality.
