"A solid, absorbing true-crime book that depicts the depths of a remorseless mind." Clark Howard, author of City Blood

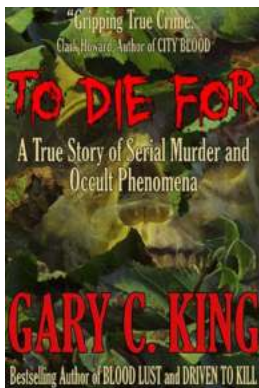

This true crime book follows the FBI's search for and capture of Darren Dee O'Neill, a serial killer whose ability to change his appearance kept him out of the reach of the authorities, and describes his violent sexual crimes.

Deadly Hunk--For women with a yen for macho men, Darren Dee O'Neill seemed the kind of guy romantic dreams were made of. Strong, handsome, smooth talking, with an array of tattoos adding to his masculine aura, he came on as a rugged outdoorsman looking for a mate. But in reality, O'Neill was a

nightmare of savage, sexually violent crimes that put him on the FBI's Most Wanted list.

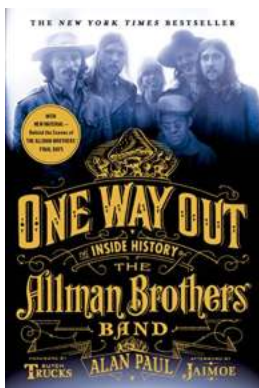

Here is the bone-chilling true crime story of the twisted killer whose masterful ability to change appearances confounded authorities again and again...and a mother's agonizing search for her missing daughter. It is the story, too, of the brilliant police work and startling psychic detection that teamed with a family's outrage to bring him to justice. But it was too late for the young woman whose dream of a hunk "to die for" became a chilling reality!

Notice to readers: This book was previously published as *Blind Rage*.
