In July of 2016, I was contacted by a scammer about hiring a crew and directing the filming of the opening of his new office. The scammer sent a check, which was for more than the agreed upon amount, and then asked me to send him the overage. Im agreed, and then spent the next month screwing with him, shutting down multiple bank accounts he had, and in general, just annoying the scammer. This book is the email exchange between us.
