Practical advice about antennas, transmission lines, and more!

For more than a decade, Joel Hallas, W1ZR, has been offering ideas and advice to radio amateurs in QST magazine's "The Doctor is In" column. Each month he educates, dispenses cures for troublesome problems, and indulges in more than a little technical mythbusting.

In Volume 1 of this series, we've gathered the most frequently asked questions, as well as Joel's detailed answers, on the topic of antenna systems. Many answers include comprehensive illustrations. You'll find helpful information about...

- VHF/UHF Antennas
- HF Wire Antennas

- HF Vertical Antennas
- HF Yagi Antennas
- Transmission Lines

If you're puzzling over how to improve your station antennas, or solve a problem with your antenna system, chances are someone else has shared the same questions with – and received helpful answers from – The Doctor. Having ARRL's Best of The Doctor is In at hand is the next best thing to a visit from W1ZR himself!
