“One of the most important books of the twentieth century.”—Gideon Lewis-Kraus, New Yorker

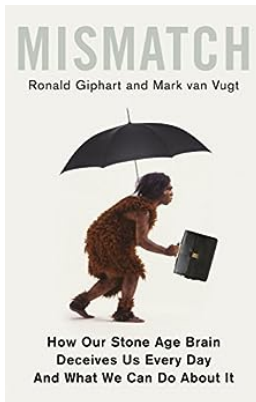

Considered by many to be one of the most influential books of the twentieth century, *The Lonely Crowd* opened exciting new dimensions in our understanding of the problems confronting the individual in twentieth-century America. Richard Sennett’s new illuminates the ways in which Riesman’s analysis of a middle class obsessed with how others lived still resonates in the age of social media.

“Indispensable reading for anyone who wishes to understand American society. After half a century, this book has lost none of its capacity to make sense of how we live.”—Todd Gitlin
