2. **Bonding Time:** These games provide an excellent opportunity to bond with your friends and family. You can catch up on each other's lives, share laughter, and create lasting memories together.

3. **Variety:** There is a wide range of video conference trick taking games available to suit every taste. From classic card games like Bridge, Spades, and Hearts to modern online versions, the options are limitless.

4. **Accessible:** Most video conference trick taking games can be played on common video call platforms like Zoom, Microsoft Teams, or Skype. They are easy to set up and require minimal technical knowledge, making them accessible to everyone.

## Popular Video Conference Trick Taking Games

1. **Poker:** A beloved classic, Poker is a card game that tests your skill and luck. It involves strategic betting, mind reading, and bluffing. Gather your friends virtually and experience the excitement of playing Poker together.

2. **Euchre:** Euchre is a trick-taking game that originated in Europe and has gained popularity worldwide. It is played with a deck of 24 cards and is known for its fast-paced nature and unpredictable twists. Challenge your friends to a game of Euchre through video conferencing and let the fun begin!

3. **Oh Hell:** Oh Hell, also known as Oh Pshaw, is a trick-taking game where players predict the number of tricks they will win. It requires strategic planning

and prediction skills. Gather your friends virtually, and see who can accurately predict the most tricks!

4. **Spades:** Spades is a trick-taking game that is played with a partner. It involves bidding, teamwork, and careful calculation. Form teams with your friends through video conferencing and test your Spades skills!

5. **Bridge:** Bridge is a complex and strategic trick-taking game that is played with a partner. It requires excellent communication and coordination between teammates. Bridge is a great option for those looking for a more challenging and rewarding gaming experience.

## **Tips for a Successful Video Conference Trick Taking Session**

1. **Choose a Reliable Video Call Platform:** Ensure that the video call platform you choose is stable and easy to use for all participants.

2. **Use a Good Internet Connection:** A stable and fast internet connection is essential for a smooth gaming experience.

3. **Explain the Rules:** Make sure all participants are familiar with the rules of the game before starting. This will prevent any confusion or misunderstandings during gameplay.

4. **Keep the Atmosphere Lively:** Encourage participants to engage in friendly banter and create a lively atmosphere to enhance the gaming experience.

5. **Play Fair:** Remember to play fair and maintain sportsmanship throughout the game. After all, the purpose is to have fun and enjoy each other's company.

**In**

Video conference trick-taking games have become a popular and fun way to stay connected with friends and family during these challenging times. They offer a unique blend of entertainment, interaction, and competitive spirit that can brighten up any virtual gathering. So, gather your loved ones, choose a game, and let the fun begin!
